

COS/ANET Index

This file presents an index table to the texts common to Pritchard's ANET and all three of Hallo's COS volumes, as well as two separate lists of those texts included only in ANET (listed by given title and initial page number) and those included only in COS (listed by given title and text number).

The format is simple. The first column is the COS reference number. The second column is the title given to the work in COS. The third column is the ANET page number(s). The fourth column is the title given to the work in ANET.

ANET: *Ancient Near Eastern Texts Relating to the Old Testament*. Third Edition with Supplement. Ed. James B. Pritchard. Princeton: Princeton Univ. Press, 1969

COS: *The Context of Scripture*. 3 volumes. Eds. William W. Hallo and K. Lawson Younger. Leiden: Brill, 1997-2002
